School-Based Professional Services

Custom designed to meet your school's objectives

- Focused on best practices and current research
- Priced to meet your budget with special member rates
- Provided by experienced consultants and practitioners to meet your specific needs
- Based on 30-plus years' results driven experience working at the middle level
- Team, instructional, and leadership coaching
- Comprehensive, year-long, part-year, or short-term services are available

School Literacy and Focus Assessments: Tools for School Improvement

- School Assessments are based upon the recommendations of Turning Points 2000, our mission, beliefs, positions, research, and current practices relevant to middle level education.
- Literacy Assessments – A school wide 2 day review of literacy practices with data and recommendations
- Focus Assessments - Specific subject-based assessments to confirm quality and/or develop data from which to plan and grow.

We are here for you and the young adolescents you serve!
