

Join NELMS in our *50th Year!*

The New England League of Middle Schools CONNECTS middle school educators to content, resources, and *each other* as we all work to improve the middle school experience for students!

We've been doing it for 50 years and there are so many reasons **to join [HERE](#)**:

Free access to our *NELMS Dialogue Series*

These are virtual workshops hosted by some of the top middle school educators in the Northeast, sharing best practices and CONNECTING educators from different regions.

Free access to *Midlines*

Our NELMS Newsletter will arrive digitally 6 times per year and provide you with ideas, resources, and inspiration to support you and your students. These issues are shareable with your entire school.

Discounted registration at our *NELMS Annual Conference*

Each March, 500 middle school educators from across the Northeast come together in Springfield, MA to learn, support each other, and share some laughs. Members receive up to \$120 off per member AND can register 4 and get the 5th free.

Discounted registration for the *Distinguished Middle Level Student Celebration*

This program will help you recognize two or more middle school students from your school who have distinguished themselves over the course of the school year, as well as be recognized at the state level. \$80 off per school for member schools.

Discounted registration for the *Student Leadership Conference*

Our Student Leadership Conferences take place in New Hampshire and Massachusetts and teams of students from all across the Northeast attend. The full day workshop teaches students leadership skills that will improve your school culture and give them skills they can use in the future! \$75 off per team for member schools.

Discounted *Professional Development* through NELMS

We offer many in-person and virtual professional development experiences, as well as leadership mentoring. Up to \$400 off per day for member schools.

PLUS...

Be eligible to receive and nominate for the ***Exceptional Educators Awards***, presented at the Annual Conference, as well as be recognized as a ***Spotlight School*** for consistently implementing middle level best practices and research-based practices for young adolescents.
